

12 Pieces of Furniture Interior Designers Wish People Would Skip

BY LAUREN SMITH

APR 19, 2017

Rolled Arm Sofas

Nothing personal, but interior designer Cecilie Starin isn't a fan of this traditional design. "I think they're really impractical, plus they just look so dated," she says. She also says deep furniture pieces are impractical. "I work in San Francisco where space is at a premium, so those big pieces just don't work."
